## Patient Price Information List

In compliance with state law, Grace Hospital is providing this price list containing our charges for room and board, physical therapy and other procedures. The hospital's charges are the same for all patients, but a patient's responsibility may vary, depending on payment plans negotiated with individual health insurers. Uninsured or underinsured patients should consult with our case management staff to determine whether they qualify for discounts. These prices are correct as of 08/01/2008.
